Give Peace . . .

Dressed like the decade of the 60's, the Seniors showed their class unity and spirit during Homecoming week, and winning the traditional songfest really said it all being that this would be their last year of Homecoming, everyone went all out.

All who knew him, loved him.

Courage is the price that life exacts for granting peace.
The soul that knows it not,
Knows no release from little things;
Knows not the livid loneliness of fear,
Nor mountain heights where bitter joy can hear
The sound of wings.

These Seniors here know the true meaning of the word "OHANA". They have been attending Saint Anthony since their Kindergarten year. Thirteen years is a long time to be going to school together but having friends like these has made those years special.

The Night . . .

It's the night that all Junior's look forward to, the women looking especially glamorous in their gowns and the men looking ever so handsome in their tuxedo's. The night was brought on by dinner, dancing, excitement and the long awaited announcement of the "suprise" court. This would be the first year that anyone has had a suprise court. No one knew who would be the princes, princesses, or even the King and Queen. The Seniors, Class of 1987, will always hold these memories deep in their hearts.

From left to right: Mark Crowe and Rena Bernard, Bishop Kahalehau and Jodi Ordonez, Marshall Mindoro and Tanya Quitazol, Queen Cheron Canon and King Evan Hokoana, Michelle Hutchinson and Aaron Aruda, Kelly Souza and Wade Raboy, Jacque Davis and Jeff Silva.

The 1986 season was a long and punishing one. It is a season to be remembered for two reasons. First the Trojans brought back old Trojan football and the attitude was polished upon by the young and new coaches. The winning attitude led them to be champions and they are. Second this was the first year of a Round Robin Tournament which had much dispute over it. No matter what, Trojans had the right attitude and are CHAMPIONS in their hearts and family.

'86 Remember And Be Remembered

The season started off with a football retreat. This was the first retreat of its kind. This was a time when our Varsity team got together and got unified. We stated goals that we wanted to accomplish by the end of the season. Our goals were to play like champions, to be proud and respected, and 1986- the year to 'Remember and Be Remembered'.

The attitude of our Varsity team was a major aspect in the way we played. It has been said by Coach McCall that, "Our team entered the season in a new frame of mind, gained more confidence with each winning game, and took on the set-backs as well as the victories." That's why we're number one!

Proud And Respected

Seniors: Conrad Fernandez and Russell Sparks.

Basketball

The 1986-87 Basketball year brought many joyful times and hardship. For the quality of the players, they accomplished a lot. Even though they were not victorious many times, they battled it out and played with heart and soul, showing the true Trojan spirit.

SAS Varsity Girls Basketball

Saint Anthony High School is proud to present their 1986-87 Girls Varsity Basketball team. Last year our girls were fighting Lahaina-luna to be one of the two teams in the MIL to go to the State Championship.

This year the girls plan to take themselves to the top. Led by Head Coach Don Lenz and Assistant Coach Alvin Kametani, the Girls Varsity Basketball team is looking forward to what looks like a very exciting and rewarding season, as they give it their all.
